Be Certain.™

The references listed were utilized by the BOC Exam Development Committee to make sure the material presented on the 2012-2013 exam is current and correct. Every item is referenced twice to ensure that a consensus exists on each item. Please note that a specific “edition” and “year” for each reference is not included in the list for the purpose of simplification. During the exam development process, the BOC uses the most current edition of a reference when constructing items.
