

# Master of Science Degree in Kinesiology and Recreation

## Physical Education Pedagogy

### Course Sequence

#### Summer Semester (2015)

KNR 422 Promoting PA and Fitness Education  
KNR 423 Sociocultural Perspectives in PE  
Pedagogy

#### Summer Semester (2016)

KNR 417 Research Teaching PE  
KNR 422 Promoting PA and Fitness Education  
KNR 425 Technology Integration in PE

#### Summer Semester (2017)

KNR 417 Research Teaching PE  
KNR 422 Promoting PA and Fitness Education  
KNR 423 Sociocultural Perspectives in PE  
Pedagogy

#### Summer Semester (2018)

KNR 417 Research Teaching PE  
KNR 422 Promoting PA and Fitness Education  
KNR 425 Technology Integration in PE

#### Fall Semester (2015)

KNR 497 Research Methods  
KNR 426 Clinical Supervision in PA Settings

#### Fall Semester (2016)

KNR 497 Research Methods  
KNR 419 Contemporary Curriculum in PE  
KNR 427 Authentic Assessment in  
Contemporary PE

#### Fall Semester (2017)

KNR 497 Research Methods  
KNR 426 Clinical Supervision in PA Settings

#### Fall Semester (2018)

KNR 497 Research Methods  
KNR 419 Contemporary Curriculum in PE  
KNR 427 Authentic Assessment in  
Contemporary PE

#### Spring Semester (2016)

KNR 418 Measurement & Evaluation in PE  
KNR 421 Improving Instruction in PE

#### Spring Semester (2017)

KNR 418 Measurement & Evaluation in PE  
KNR 428 Contemporary Topics

#### Spring Semester (2018)

KNR 418 M&E in PE  
KNR 421 Improving Instruction in PE

#### Spring Semester (2019)

KNR 418 Measurement & Evaluation in PE  
KNR 428 Contemporary Topics

*Note: Students will enroll in either six hours of Master's Thesis (KNR 499) or a minimum of three hours of a culminating experience (KNR 400 or 498) during their second to last or last semester.*
